Allies on the road to victory: Coalition formation between the suffragists and the Woman's Christian Temperance Union

Setting Your Browser to Accept Cookies

There are many reasons why a cookie could not be set correctly. Below are the most common reasons:

- You have cookies disabled in your browser. You need to reset your browser to accept cookies or to ask you if you want to accept cookies.
- Your browser asks you whether you want to accept cookies and you declined. To accept cookies from this site, use the Back button and accept the cookie.
- Your browser does not support cookies. Try a different browser if you suspect this.
- The date on your computer is in the past. If your computer's clock shows a date before 1 Jan 1970, the browser will automatically forget the cookie. To fix this, set the correct time and date on your computer.
- You have installed an application that monitors or blocks cookies from being set. You must disable the application while logging in or check with your system administrator.

Why Does this Site Require Cookies?

This site uses cookies to improve performance by remembering that you are logged in when you go from page to page. To provide access without cookies would require the site to create a new session for every page you visit, which slows the system down to an unacceptable level.

What Gets Stored in a Cookie?

This site stores nothing other than an automatically generated session ID in the cookie; no other information is captured.

In general, only the information that you provide, or the choices you make while visiting a web site, can be stored in a cookie. For example, the site cannot determine your email name unless you choose to type it. Allowing a website to create a cookie does not give that or any other site access to the rest of your computer, and only the site that created the cookie can read it.

Rucht, Dieter (2010) “Movement Allies, Adversaries, and Third Parties” Pp. 197-216 in The Blackwell Companion to Social Movements. Edited by David A. Snow, Sarah A. Soule, Hanspeter Kriesi Blackwell Publishing: Malden, MA. Van Dyke, Nella. Women’s Suffrage summary: The women’s suffrage movement (aka woman suffrage) was the struggle for the right of women to vote and run for office and is part of the overall women’s rights movement. In Latin America, national suffrage was granted to women between 1929 (Ecuador) and 1946 (Argentina). The Congressional Union initially focused on putting pressure on the Democratic Party, which controlled both houses of Congress and the White House. Too, powerful lobbying groups including liquor distilleries—the temperance movement and women’s rights movement had long been comrades in arms—textile manufacturers and railroads opposed expanding women’s rights.
