Just as Mrs Richards was entering the dining-room, there was a 6 _ on the front door. She knew that it must be the baker. She had told him to come straight in if ever she failed to open the door and to leave the bread on the kitchen table. Not wanting to 7 _ the poor man, Mrs Richards quickly hid in the small store-room under the stairs. She heard the front door open and heavy footsteps in the hall.  It was built in 1796 to 1 _ the water level in the river 2 _ by the newly constructed Grand Union Canal, and more recently has been used as a reserve public water supply. Not far from there lies the busy town of Watford which can be recommended for a brief visit. And in any 3 _ much more interesting stretches of the canal are met further north. People must feel that the natural world is important and valuable and beautiful and wonderful and an amazement and a pleasure. Getting to places like bangkok or singapore was a hell of a sweat. I mean, it is an extraordinary thing that a large proportion of your country and my country. The question is, are we happy to suppose that our grandchildren may never be able to see an elephant except in a picture book? Being in touch with the natural world is crucial. It is that range of biodiversity that we must care for – the whole thing – rather than just one or two stars. Crying wolf is a real dang I'm absolutely strict about it. When I land, I put my watch right, and I don't care what I feel like, I will go to bed at half past eleven. If that means going to bed early or late, that's what I live by. As soon as you get there, live by that time. David Attenborough. It's a moral question about whether we have the right to exterminate species. David Attenborough. Since when has Finland been a rotten place to live in David Attenborough. The travel bit is what you have to do in order to go and look at animals. David Attenborough. I think a major element of jetlag is psychological. Nobody ever tells me what time it is at home. David Attenborough. Browse All: David Attenborough Quotations.
